

BATTLE OF THE IMMORTALS - and KNOWING YOUR AUTHORITY.

1. Greater is He that is in you, than he who is in the world - 1 John 4.

My people perish for lack of knowledge... Hosea 4:6

Ignorance of the enemy is not a justifiable excuse if we lose. And losing can sometimes mean losing your life before your time and not fulfilling your calling. It's vital to know what Jesus has given you *in Him* to fight: Spiritually and Physically.

You have to know that Jesus in you is greater than anything the enemy has. *Anything!*

I say this because of how things are in this world and what is coming - *Days of Noah* - (**Luke 17:26-30**). This passage on the surface says one thing but as you study this out you find it means something far bigger, especially if you read **1 Enoch** and **Genesis 6**. It speaks of something far more sinister. We are at the start of it and things will get much worse to where fallen angels, and all of their offspring like giants plus all their hybrid creatures (cryptids from mythology and folklore) including "aliens" will be seen *by everyone*. Many are already sharing on social media their encounters. It will soon be everywhere, including on the news broadcasts. This is what God spoke of in those passages about the "Days of Noah" and many other scriptures that speak of these monstrous creatures -big and small. These offspring of the fallen ones are what God calls "inhabitants" *in His Word*. And it's *all over* the Old Testament. Like Genesis, Exodus, Numbers, 1 & 2 Samuel, 1 & 2 Chronicles, and even Daniel 4 where Nebuchadnezzar gets turned into a wild animal for a period of 7

years *as a judgement* before God returns him back to normal. Practically all of the Old Testament speaks of these types of creatures...we just never realized it until the Lord recently opened it up, I would say on the whole for the Body of Christ scripture has been opened up by the Lord the last 10 years.

These creatures - all of them - *are* the immortals. Once a creature is alive it cannot cease to exist. God is life and there is no darkness in Him. Just like any parent with their children, the parent cannot control their children. Their children will do what they want to do. Same with God and all of His creation. He has given them life. What they do with it is up to them. God has given rules of how to operate but His creatures don't have to behave. It is up to their free-will. This is why He gave His Son Jesus to destroy ALL the works of the devil (**I John 3**) and what Jesus did stands for all eternities and worlds - forever - **Ephesians 1:21 (17-23) & 3:21 (14-21)**. This disobedience will never happen again. Read **Revelation chapters 19-22** with this in mind.

Those that know how to stand in Jesus will be fine. Those that do not...with the *strong delusion* as **1 & 2 Thessalonians** calls *it*... well...it's obvious. **Luke 21:26** "men's hearts fail them for what they see coming on the earth."

*

2. Creatures in the Old Testament

In the Old Testament all of the wars were against giants and hybrids which is why God wanted them totally wiped out, including their animals (we can only imagine what the “inhabitants” were doing with their animals). I call those cities and “inhabitants” - for they are not “men” - I call them “ites”. Like Jebusites, Hittites, Canaanites, Moabites, and so on. God also uses the term “mighty men” or “mighty” to refer to the offspring of fallen ones: nephilim/giants. Re-read **Genesis 6** and **Joel chapters 2-3**. *Joel 2-3 has yet to occur!*

*Take a look at **2 Samuel 23: 20**; **1 Chronicles 12:8**. Second Samuel talks of lion-faced men, that is what “arials” mean, and Moab is pagan and infiltrated with offspring of the fallen ones, it’s one of the “ites” cities. 1 Chronicles 12:8 also speaks of lion-faced men who were fierce in battle. And **Jasher 36:26-35** - (part) “There is a great and terrible storm that came across the sea and settle on the asses...a group of about 120 great and terrible animals **to come out of the forest** by the seashore by Anah feeding his asses. **And those animals, from their middle downward, were in the shape of the children of men, and from their middle upward, some had the likeness of bears, and some the likeness of the keephas, with tails behind them from between their shoulders reaching down to the earth, like the tails of the ducheephath, and these animals came and mounted and rode upon these asses, and led them away, and they went away unto this day.**”*

This account in Jasher so scared Anah the donkey herder, he never went out again.

Now I don't know what "keephas" or "ducheephath" are, I haven't been able to find it anywhere...but we know it isn't good. These are the types of creatures that are coming back. And notice, they came out of the forest. There are many current reports of creatures found in the forest and national parks.

Knowing who you are in Christ Jesus and the power of His Blood is the only way to fend off these creatures - "They overcame him (satan and his forces) by the Blood of The Lamb and by the Word of His testimony, and they loved not their lives unto the death." **Revelation 12:11**. Look at how Jesus did it in **Luke 4** and **Matthew 4**. He spoke the Word to the devil.

3. How to fight

Knowing you are IN Jesus, It's The Lord who will strengthen you

Stay in relationship with the Lord, talk with Him and stay in His Word because His Word is Him speaking to you! He will lead you by His Word. Elisha stayed in constant communication with the Lord and knew how to fight! There are many ancient documents that were the first writings of the Bible like the Book of Adam; 1 Enoch; books of Noah; books of Abraham and Jacob - I'm certain both Elijah, Elisha, and all the prophets of old used these books. You can see it in how they stood up for God. Elisha knew that God had his back even when he was up against demonic rulers because of what he read and staying in prayer. Check **2**

Kings 6. Observe throughout the Bible how the men of God fought, fought against these hybrids - they always went to God first! *Always ask Him what He wants. **This is what we are to do.***

In **Joshua** we see how Joshua went to God before the battles. Chapter 7 shows the one time when he didn't and what happened. David was also an amazing warrior in battle but he had tough times and we see how he got through it - **Praise!** When David was at his lowest he praised God! This stirred up his faith in "Who" God is and his strength was built up and brought out the joy of the Lord. The joy of the Lord *is* our strength (**Nehemiah 8**). It's part of the fruit of the Spirit and it has to be tapped into by praise. This is how we get through it. In fact "praise" defeats the enemy **every time** - look at **2 Chronicles 20** - there was a great army of "ites", 2 armies actually, and the king - Jehoshaphat - called all of Judah and Israel together to pray and fast to the Lord and said, *"Our God, will you not judge them? For we have no power to face this vast army that is attacking us. We do not know what to do, but our eyes are on You."*, verse 12. **God told them that the battle was not theirs but God's!** Then He told them **to sing praises to God as the armies were mounting against them**, the Moabites and Ammonites were struck with terror and turned on each other and killed one another! **1 & 2 Samuel** and **1 & 2 Chronicles** and other heroes in the faith like in **Judges** (including Deborah, for the ladies reading this), and **Numbers** are more great examples of men and women fighting and won with God on their side.

In Judges with Sampson we see someone, a prophet, who was disobedient and what happened. We have all been disobedient with our callings at some point. But when we get things right, like Sampson did at the end, we can see what a big difference it makes for the Kingdom of God *living up to the calling that God has given each of us*. God will bring His Word to pass no matter what. For those that don't fulfill their calling, someone else will step up and do what God wants done. **Isaiah 55:11** God's Word will not return to Him void but will do what He pleases and it shall accomplish the purpose for which He sent it.

In the **Book of Jasher, chapters 37-40** is another great example of physical wars against Nephilim that the sons of Jacob fought. Simeon, Levi, and Judah were fierce in God! Jumping up enormous megalithic walls and landing on top of them and wiping out hundreds of the Nephilim; the next day they did the same thing with another city of giants - Because they knew that God was on their side, they asked God to strengthen them - and He did - and they knew God was greater than all the demon-gods the Nephilim worshiped, *they knew* that God had their backs! God the Creator of All!

Here's another interesting tid-bit I share as a detail, because this sort of sorcery is how the enemy operates:

Genesis 31:19 where Rachel steals her father's idols. It never made sense to me until I read about it in **Jasher 31**. It describes in detail what Rachel did by stealing her father's idols and why it was so important. The idols were the heads of sacrificed children to demon-gods that had been passed down for generations. There was an entire room dedicated to this. The families father's,

grandfather's, great-grandfather's and so on would sacrifice their first born child to these demons. (Clue here: this is why God had the first born in Egypt killed during the time of Moses with Pharaoh, both of men and animals.) The heads were severed and the skulls cleaned, the child's hair placed back on them, the mouth opened and a coin put on top of their tongue to prop the mouth open and then they would dedicate those skulls to specific demon-gods in order for the demons to use those skulls as a type of portal to speak into this world. They always need an access point. When the demon-skulls were asked a question, those skulls would answer. This is why Rachel stole them. She didn't want her father to ask these idols where she and Jacob with all their belongings had gone.

4. You don't know what don't know...and it can kill you

Many believers know this stuff but unfortunately there are many more in churches who do not. They don't have a clue. If this has been you I suggest praying the **Ephesians 1:17-23** prayer over yourself for God to show you wisdom and revelation knowledge of what He wants you to "see" and then get into **Genesis** and read **chapters 1-3** and **6-11**. Do additional research in **1 Enoch**, **Jasher**, and **Jubilees** - there are online versions of these. Look up scriptures in the Bible that speak of "giants", "mighty men", "inhabitants" and "sons of God", see how many cities had "inhabitants" versus "people", then ask the Lord what is your place in all of this. We all have one.

These chapters in Genesis are the base for everything. They explain how all this started. What has been will be again and there is nothing new under the sun - **Ecclesiastes 1:9**.

Why will this happen? Very simple...God's judgment on people who have been disobedient and stubborn. He's done it before and He will do it again. **Isaiah 28; Matthew 11:22-24; 2 Peter 2-3; Jude 1:6; Revelation 9:15; Daniel 7:21-25; Zephaniah 1:7-13; Revelation 16:14; Luke 11:31; Hosea 9:7; Ezekiel 30:1-9.**

5. Seed War

Genesis **chapter 3** is what this entire world is about: a seed war - the seed of the serpent and the seed of the woman (mankind). These are the two types of humanoids on the earth. God's creation - mankind, made in the image of God, with the animals that *He* has made - (notice how *God is the one* who had to bring the animals to Noah and I don't recall which book it's in, either Jubilees or Jasher, there was something like only 200 pairs of animal types. That was all. Satan's creation - hybrids (humanoid-demonic hybrids; alien-demonic hybrids; animal-humanoid hybrids; fish-humanoid hybrids - including mermaids (**1 Samuel 5**); and many other cross-breeds they have created like the book *Dr. Moreau*) God wiped out with the flood. These creatures existed before the flood and they have been making creatures after the flood. They are coming back like the days of Noah. This is why God had to wipe out the planet *with* the flood. The fallen

angles as well as the inhabitants have been creating offspring and hybrids since the flood. Both animal and human types. They never stopped. And not every person you meet is truly human. Their numbers have surpassed ours. Read **Revelation 6:8** - the wild beasts of the earth. They have been hidden but will be released as part of judgment.

- Research the battles in the Bible. It will really help!! This is a part of the seed war.
- Know “who” you are in Christ Jesus. Stay in the Word and in Praise.
- I will place some additional scriptures at the end for you to research in your own time. There are many more than what I list. Know you are in Him which gives you certain rights and privileges of having Father God on your side when you’re doing things according to His will and don’t have sinful ways in which you *knowingly* operate in. You will see after reading these scriptures the enemy keeps doing the same routine. The plan, the enemy’s, is always the same BUT Jesus is THE POWER that has *already* defeated him and has given that power to you!! Use it!!
- And I would suggest reading some mythology. God considers them a type of earthly history books because these creatures are real. **Luke 21:26** men’s hearts will fail them seeing the things coming on the earth.

6. Power of the enemy

Luke 10:17-19 and **Genesis 1:26, 28** are key in understanding your Authority over ***ALL the power*** of the enemy. This is not only the devil. This includes all his fallen angels, their offspring the nephilim, and all their monstrosities they have created like dogmen, big foot, mothmen, lionmen, and the like. Just like the creatures in mythology - it's not a myth, but actual creatures.

You have God's Authority over them all in this realm and ***all*** of their spells, witchcraft, sorcery, and divination. I also suggest reading **Exodus chapters 1-12**. The magicians of Egypt ***had powers***. Demonic powers = demonic supernatural powers! But Moses stood up to them *in the Lord*, the way the Lord told him to confront them. Will you take on that same spiritual fortitude that Moses did with the Lord? God is no respecter of persons. (You may want to read all of the *Authority* and *Warfare* articles, and the *Crucifixion* article, they will help.)

In **Genesis 1:28** the definitions of the words "subdue" and "dominion": *subdue* - assault, bought them into subjection, forced into bondage, forcing, trample, tread under foot, underfoot.

Dominion - to tread down, subjugate, to crumble off.

THIS IS WHAT GOD WANTS US TO DO UPON THE EARTH BY TAKING AUTHORITY IN HIS NAME OVER THESE EVIL CREATURES, WHAT GOD CALLS "the wicked".

7. Enemy's Tactics

The Lord tells us all the enemies tactics in scripture: he kills, steals, destroys, lies, murders. Occurred with Eve in the Garden, Jesus in the wilderness, the mad man of Gadera, and with you. How to defeat him is by using the Word of God, speaking it against him as a shield and sword coming out of our mouths. But if we “don't see ourselves” truly in Christ and all of the victory that He gave us, we will have trouble when it comes to spiritual warfare.

Warfare is getting more intense and it is not going to let up - it will get worse. I'm seeing more demonized people in public. It wasn't like this just 10 years ago (It's 2024 at the time of this writing.) “People fainting from fear **at the expectation of what they see coming upon the earth**, for the **powers** of heavens shall be **shaken**” - **Luke 21:24 with Revelation 12:7-9** “And there came to be **fighting in the heavens**: Michael and his messengers fought against the dragon. And the dragon and his messengers fought, 8 but they were not strong enough, nor was a place found for them in the heavens any longer. 9 **And the great dragon was thrown out**, that serpent of old, called the Devil and Satan, who leads all the world astray. **He was thrown to the earth, and his messengers were thrown out with him.**”

They are coming. And we can see more and more manifestation now than ever before. People are seeing dogmen (cryptids) and

other strange creatures. **Revelation 6:7** -“the wild beasts of the earth”. We have to know “who we are in Christ Jesus” for what is coming!

These are the Immortals. They will ultimately end up in the Lake of Fire. Some have been walking the earth. Some roam the earth, some were imprisoned by God deep within in the earth and will be freed during judgement as **Jude** states: **verse 6** - “And the messengers (angels) who did not keep their own principality, but left their own dwelling, He has kept in everlasting shackles under darkness **for the judgment of the great day.**” Along with verse 13 - “wild waves of the sea foaming up their own shame, **straying stars for whom blackness of darkness is kept forever.**” God uses the term “stars” to refer to angels. The book of Jude is key about speaking of these rebellious angels. There are some as leaders of churches as verse 13 states and some that have been kept in prison by God until they are released upon a rebellious people, verse 6. Look at **Revelation 9:14**. And in **Exodus 10 and 12** also show God using these “wandering stars” *for judgment* upon people. **What God has done before, He will do again...**including the days of darkness like **Exodus 10**. Consider: **Joel 2:2,10; 3:15; Isaiah 13:10; 60:1-2; Amos 9:8; 5:8, 18, 20; Ezekiel 32:7-8; Matthew 24:29-30; Luke 21:25-28**. And just like in Egypt, God’s people were safe in Goshen but they did not go outside. They stayed covered with the blood of Lamb just as we will have to. The darkness can be felt. It is alive with demonic spirits. I do not know how long this will be. If it’s exactly like Exodus then it will be 3 days. Whatever it is God protects those that trust Him and do what He tells them to do.

God gave us all we need in His Word and we need to know His Word and use it. His Word is life. His Word is light. And His Word is revelation on what we need to live this life victoriously.

Additional Scriptures:

****Read the Word as an instruction Manuel, a fighting plan. Yes, it builds your faith and joy - Praise God!.. and the Lord speaks to you through His Word - He also instructs on how to stay steadfast in Him and fight. Stir up your the anointing of joy with praise; stay in the peace of God - never make a decision unless you have the peace of God in your heart, not your head. And definitely stay in love!! All things when done correctly come from Love.***
