

PRAYER FOR RELEASE FROM SOUL TIES

Soul ties occur from all sexual encounters. It is a literal tie to that person. When this occurs outside of marriage this can be a very dangerous thing. Whatever spirit is attached to the person now has rights to you and whatever spirit that is attached to you now has rights to the other person. (Also see N.R. Prayer)

Soul ties occur from all sexual encounters. It is a very real tie to that person. Especially if it was a relationship that ended and you can't stop thinking about the person. Your life is a wreck because they are gone. THAT is an example of a soul tie.

When this occurs outside of marriage or from a violent situation this can be a very dangerous thing. Whatever spirit is attached to the person now has rights to you and whatever spirit that is attached to you now has rights to the other person.

It is because of fornication and abuse that emotional trauma comes. Always. Below is the prayer to release yourself and others from the soul ties that occur.

PRAYER:

Father, I repent for every ungodly soul tie that I have made through sexual union. I apply the blood of Yahshua to the soul tie that I made with _____ . I ask You to sever the cord connecting me to this person with the Sword of the Spirit. I bind any demonic attachments that came to me, and I command them to leave me, in Yahshua's name. I loose the power of the Kingdom of Yahuah within me and around me to restore what was damaged by this soul tie. I ask You to seal the severed cord with the blood of Yahshua, so it can never be connected again, and I ask You to remove any foreign DNA from my body, in Yahshua's name. Father, I ask You to deliver every person from any spirits that were transferred to them from me, in Yahshua's name.
